Insurance Guidelines for Walker/ Rollators

- The patient has a mobility limitation that impairs them to perform their acts of daily living.
- The patient is able to safely use the walker.
- The use of the walker will resolve the patients mobility issues and meet their needs.

INSURANCE REQUIRES 1 or more IN OFFICE NOTES
(if not in notes insurance will not cover)

→ *This can not be copied and pasted into the note and will not be accepted on the script or letterhead per Medicare*
