

# **Houston Young Lawyers Foundation 2018/2019 Grant Program Guidelines and Application**

## **GRANT PROGRAM PURPOSES AND SOURCES OF SUPPORT**

The purpose of the Houston Young Lawyers Foundation ("HYLF") Grant Program is to support, promote and encourage charitable organizations and activities in the Houston-The Woodlands-Sugar Land metropolitan area as defined by the Office of Management and Budget (the "Greater Houston Area"). HYLF specifically provides funding for specified projects to be undertaken before the end of the 2019 calendar year related to:

- the furtherance of justice and legal education through the sponsorship and encouragement of legal research, publications, institutes and forums;
- the support of legal aid programs for the indigent or working poor and the optimization of aid grants from governmental and private sources;
- the support of youth through athletic and educational forums; and/or
- any other activity that will promote and aid an improved system for the administration of justice and the improvement of the Bench and Bar in the Greater Houston Area.

In considering requests for grants, the HYLF Board of Trustees requires that the programs for which the applicant seeks funds serve the people of the Greater Houston Area.

## **TYPES OF GRANTS**

Grants may be awarded in one of the following forms:

- Award of the full amount of funds requested.
- Partial award of the amount of funds requested.
- Award of funds on a matching basis wherein HYLF will match funds up to a designated maximum amount in proportion to the grant recipient's ability to raise new funds from other sources.

## **ELIGIBILITY CRITERIA**

Applicant organizations and funded charitable projects must serve and benefit individuals in the Greater Houston Area.

HYLF prefers to fund projects from non-profit organizations that are recognized as such under the Internal Revenue Code.

HYLF prefers to fund projects of limited duration. Grants will not be awarded to projects that require funding in excess of two years from implementation to completion.

HYLF funds may not be used to supplement or extend an organization's operating budget.

HYLF will not consider grant applications seeking funds to support ongoing projects (unless the funds will be used for a specific piece of such project where HYLF is the key provider of funds for such piece), general fundraising campaigns, capital campaigns, or dinners. If grant funds are sought for a specific piece of a larger project, the grant application must make it clear for which purpose grant funds would be utilized.

Projects must promote the purposes of HYLF, either in the area of service to the public or service to the legal profession.

HYLF prefers to fund new projects, or projects that will be substantially and substantively changed or enhanced through the application of HYLF funds. Grants will not be made to pay the costs of projects that will be completed before May 2019.

The minimum amount that must be requested for any individual grant application is \$500.00. The maximum amount that may be applied for in any individual grant application is \$10,000.00. Partial awards may be granted. Grants awarded typically range between \$3,500.00 and \$5,000.00

Grant awards must be administered by the applicant organization. Grants will not be made for the sole purpose of payment to third-party organizations.

#### **ADDITIONAL CONSIDERATIONS**

- Adequacy of the project to achieve the stated purpose.
- Applicant's ability to achieve objectives as evidenced by past performance.
- Number of community members who will directly benefit from the project.
- Relationship of proposed project to similar ongoing charitable outreach projects and community service events. Specifically, is the proposed project complementary, conflicting, competitive, or duplicative of other programs?
- Inclusion of a specific and fixed calendar framework for project phases and completion.
- Inclusion and reliability of an evaluation method for the effectiveness of the project.
- Application of all funds that are appropriate to the purpose of the project and already available to the applicant.
- Other sources of funding being approached and whether they are outright awards or matching funds.

- Disclosure of future funding needs and projected needs for staffing, administration and governance.
- Qualifications of the applicant's staff or project members.

## **PREFERENCES**

HYLF prefers NOT to fund:

1. Galas or gala-like events, testimonial or fundraising events (such as luncheons or dinners), or advertising in programs or publications.
2. Organizations that in turn make grants to others.
3. Activities whose sole purpose is promotion or support of a specific religion, denomination, or church.
4. Honoraria for guest speakers or panelists.
5. Memorials for individuals.
6. Salaries or contracts for staff-type positions or needs.
7. Purchase of office equipment or other fixed assets.

Grants may not be made to fund projects outside the Greater Houston Area, however, the organization's service area may reach beyond the Greater Houston Area.

## **APPLICATION PROCESS**

Grants will be made solely on the basis of written applications. All applications for funding will be reviewed by the HYLFF Grants Committee, which will recommend a slate of grant recipients for consideration by the HYLFF Board of Trustees. The HYLFF Board of Trustees possesses the sole authority to make grants. No member of the HYLFF Board of Trustees who is also a member of an applicant's governing board or who is directly involved in a proposed project as an administrator, staff member, or direct beneficiary may participate in voting on the applicant's proposal.

## **LETTER OF APPLICATION**

HYLF will create an annual Grant Application Form and other pertinent documentation which applicants must use to submit proposals for grant awards. Applicants may submit more than one proposal.

## **OTHER SUPPORTING DOCUMENTS**

A project timeline or schedule of activities must be included with the application.

Detailed and complete budget information for a proposed project must be presented as part of a Grant Application. If the use of funds from a grant is not immediately apparent from the detailed budget, applicants should provide an explanation of where such grant funds would be utilized. Applicants must provide HYLFF with the applicant organization's operating budget and year-end financial report from the prior year as part of the proposal. If requested, the applicant organization shall also make available to HYLFF copies of any additional audits of financial statements from prior years and disclose major sources of financial support.

## **CONDITIONS OF GRANTS**

Grant recipients are required to recognize HYLFF in any printed materials or videotape and audiotape materials used or produced for projects that receive HYLFF funds. Such recognition should be noted as part of the applicant's proposal. Example: "This \_\_\_\_\_ was made possible by a grant from the Houston Young Lawyers Foundation."

Grant recipients must submit to the HYLFF Board of Trustees a written final report for projects funded by HYLFF grants not later than December 31, 2019. Written final reports should include a financial report on use of funds, and, when possible, copies of any marketing materials related to the projects that receive HYLFF funds, as well as pictures of the projects, when possible. If the project is ongoing as of December 31, 2019, the final report should detail the work conducted to date, as well as the anticipated work to be completed. The final report should also include a statement that no part of the funds received from HYLFF (i) inured to the benefit of any private individual; (ii) were used for the purpose of carrying on propaganda, or otherwise attempting to influence legislation; or (iii) were used to participate in, or intervene in any political campaign on behalf or in opposition to any candidate for public office. Failure to submit a written final report by December 31, 2019 will result in the organization being ineligible for any additional grants awarded in the 2019/2020 HYLFF Grant Program.
