

## Welcome to the Alternative Scavenger Egg Hunt.

As we are attempting to flatten the curve by physically and socially distancing, we cannot engage in our typical and much-loved annual egg hunt. Therefore, Alternative Scavenger Egg Hunt!

We ask that you help put together an Egg Hunt for your neighborhood. During the week between Sunday April 5<sup>th</sup> and Saturday April 11<sup>th</sup>, print out and color any of the eggs in this packet. Once you are done, post it on your door or a window that is easily visible from the street. Then on April 11<sup>th</sup>, go out and hunt for eggs. Families can walk around and hunt for eggs according to the scavenger list in this packet. No need to knock on doors, no need to be close to someone, no fighting over eggs. If you see someone, wave at them, but remember to maintain at least 6 ft of space between you and people not in your house.

When you are done, we invite you to post your results on social media with **#AlternativeScavengerEggHunt2020**, and **#WestlakeUMC2020**. Please make sure that any pictures posted do not contain any identifying marks – such as house numbers or names on the doors.
