SPEAKERS:

Amy Temperley A Texas girl for most of her life, Amy lived in Sydney, Australia when she was a child. During the summer, her family camped in the outback and she became fascinated with the aborigines (natives) of Australia and their culture. Join us for this interesting session on those who have lived in Australia for tens of thousands of years.

Damien Temperley is originally from London. He spent much of his early life traveling with his adventurous mother. He has visited many countries that some of us just dream about. Hear about the secrets of the pyramids, how to make bird nest soup, and the in's and out's of baby naming ceremonies in these intriguing sessions.

Leslie Archambault is a true Francophile. She has a passion for all things French, has been a frequent visitor, and speaks the language. Leslie will introduce you to the beauty of France and French culture.

Wine and culturally specific hors d'oeuvres will be served.

RSVP to concierge at 512-347-1700.
