What is EPIC?

The Elderly Pharmaceutical Insurance Coverage (EPIC) program is a New York State program administered by the Department of Health. It provides seniors with co-payment assistance for Medicare Part D covered prescription drugs **after any Part D deductible is met**. EPIC also covers many Medicare Part D excluded drugs.

- **Fee Plan** members pay an annual fee to EPIC based on their income. The EPIC co-payments range from \$3 - \$20 based on the cost of the drug. Those with Full Extra Help from Medicare have their EPIC fee waived.
- **Deductible Plan** members must meet an annual out-of-pocket deductible based on their income before paying EPIC co-payments for drugs.

EPIC also pays Medicare Part D plan premiums, up to the amount of a basic plan, for members with annual income below \$23,000 if single or \$29,000 if married.

Those with higher incomes must pay their Part D plan premiums.

- To help them pay, their EPIC deductible is lowered by the annual cost of a Medicare Part D basic plan.
- EPIC deductibles for income in shaded areas on the Deductible Plan schedule will be less than the amounts shown.

Who can join?

- A resident of New York State 65 or older with annual income up to \$75,000 if single or \$100,000 if married.
- An eligible senior with a Medicaid spend down not receiving full Medicaid benefits.

Medicare Part D Enrollment

All EPIC members must have Part D in order to receive EPIC benefits. Because EPIC is a qualified State Pharmaceutical Assistance Program, members are able to join a Part D plan during the year once enrolled in EPIC. They also can change their Medicare Part D plan one time during the year.

“Extra Help” can save money!

If EPIC determines a senior may be eligible for Extra Help, EPIC will mail a Request for Additional Information (RAI) form. The senior is then required, by law, to provide the additional information to obtain EPIC coverage.

- Seniors who already receive Extra Help can send a copy of their determination letter from Social Security Administration with their form.
- If approved for full Extra Help, the senior will have lower co-payments and will not have a Medicare Part D coverage gap. Medicare and EPIC will pay all or most of the monthly Part D plan premium.
- EPIC will use the information on the RAI form to apply for Extra Help on the senior's behalf and it will not be used for EPIC determination.
