STRONG VALUES & FIRST-CLASS COACHING

When you train with Cheer Station you get the best of both worlds...our athletes get strong technique training with an emphasis on sportsmanship, as well as world caliber choreography and coaching. Cheer Station offers your athlete positive role models in a family atmosphere. We believe our athletes learn valuable "life lessons" when they are training together to achieve their personal and team goals. We know that our athletes develop strong character and confidence while in our program and take those attributes on in their daily lives.

Cheer Station Athletes are known around the country for not only being the top teams in every level, but having great sportsmanship. CSI teams are repeatedly complimented for their team spirit and good attitudes. As a program, we are often winners of spirit awards for both athletes and fans!

Our Cheer Station staff is the most knowledgeable and well-trained staff in the industry and although they can be tough at times, they are always encouraging and positive. All of our staff are credentialed by the USASF and our Owner is a member of the USASF rules, disciplinary committee and Regional Advisory Board. All CSI Staff and Coaches are certified by SafeSport and many cheered at the university level at award winning universities like the University of Texas, Stephen F Austin, Hawaii Pacific and they have cheered at Baylor, UT, SFA, Hawaii, HPU, NC State, Trinity Valley CC and some of the best All-star programs in World. You can trust that your athlete is in good hands. We require all CSI team coaches to join the Positive Coaching Alliance and pass their coaching courses to work with our teams. Our staff meet and exceed every industry standard and lead the SafeSport initiative.

Cheer Station believes in balancing the family and team without compromise. During the summer months we know how important family time is, we have moved our weekend practices off the weekend to ensure better team attendance. We also try to avoid competing close to holidays. This ensures that our athletes can enjoy more time with their families while on holiday school breaks without compromising the quality of our teams or events.

Cheer Station is proud to be the longest running all-star program in the United States! We are a family, and we are happy to share our values and legacy of winning with your athlete year after year. Please feel free to call or email us anytime if you have a question. The first round of Cheer Station Team tryouts 2023 are scheduled on May 13th for our Elite and year-round Prep and Novice teams. If athletes are unable to attend individual tryouts, video tryout are also welcomed. Please email brad@cheerstation.com and/or Katie@cheerstation.com for more details.

PRACTICES

Attendance for our teams is mandatory and we allow FOUR missed practices in the summer from June 1st through August 15th and THREE excused absences during the season from September 1st – May 1st. While missed practices are for family emergencies and other unforeseen life events, during competition season all missed practices will need to be made up in a private lesson with your stunt group and a team coach.

From August-April, if you miss, you will need to make up a 30-minute stunt lesson with your stunt group. You will need to schedule it with one of your team coaches and pay them directly. The cost of the lesson will be responsibility of the person missing the practice. You cannot miss a practice the week of an event or you may not be eligible to compete.

Mini and Youth Elite Athletes may practice up to 4 hours per week and have 2 weekday practices. Junior and Senior level athletes will practice 4 hours per week and have 1 weekday practice and a Sunday practice. Prep teams will practice 1 day per week for 2 hours, while Tiny Novice will practice 1 day per week for 1.5 hours.

Although we want our athletes to cheer at school, we cannot compromise our training. Athletes that cheer for school or play sports at school cannot not miss their team practices. They will be moved to another team or be moved off the mat to an alternate position to ensure safe and solid routines.

We ask that you inform the gym in advance before practice if your athlete is sick or needs to miss for an excused absence. The three excused absences include activities for a school grades, illness with a fever over 100, wedding, funeral or a family emergency. Unexcused absences include concerts, charity events, recreational sports, or family vacations. Please send a note via our new platform, the Band App or call us at the gym. We also ask that you call or text your staff if you are running late. Our routines are always changing/improving and team member positions may also change as routines evolve.

CSI Team members should arrive to practice 5 minutes prior to their scheduled time. Students will not be allowed in the gym unsupervised. A CSI staff member must supervise all students at ALL TIMES.

If a team member needs to leave practice early, you must ask your team's head coach before the scheduled practice. There may be times that this request will be denied if the coach needs to keep all team members present. *Parent viewing will be available on a first come basis.*

There will be times when the parent viewing area must be closed to help keep our team focus! We will post closed viewing days on our Band App. All team practices the week of competition, and two weeks before each national competition will be CLOSED to parent viewing.

We will be scheduling several extra practices before each competition. You will have ample time to mark your calendars. We will be creating a NEW Team Calendar to verify and update all scheduled CSI events. Please visit the team calendar for any updates and schedule changes.

COMPETITION SCHEDULE

The competition schedule is usually finalized as early as possible but may as late as August. Please understand that tuition pays for coaching and training, it does not pay for the right to compete or perform. Team members earn that right by working hard, keeping a good attitude, attending practice, and maintaining their skills. Athletes that are competing with their school teams on the same day as their CSI team will only be allowed to do both if they are at the same event. We will not allow athletes to compete with their school and their CSI team if they are at different venues on the same weekend. All athletes will be required to travel and practice the night before a two-day competition. **You may have to leave school early or even miss school for some events that are out of town.**

If a team gets bids to the Summit, All-Star Worlds, The One, or Cheerleading Worlds, their season may be extended through early May. Tuition and additional competition and travel fees may apply. **We plan on accepting bids and attending at least one of these end of the season events.**

TRAVEL

There is a **"Stay to Play"** rule for most of our events and those National Championship events will require hotel accommodation to be booked at their host hotels. The event host will be blocking rooms at each national competition and you will be ***required*** to stay in the team block. For one day events, you will have to make your own travel and hotel arrangements. We try to book our hotels as close to each event as possible. We strongly urge you to book early as the blocks expire quickly in the host cities. Please plan on traveling early and staying for your team awards. All athletes may be required to travel to each Nationals a day before preliminaries for the team to have a practice in the host city when possible.

At all other events, athletes are required to arrive up to 2 hours before their team's competition warm up time to prepare and be ready. One day events may start early, and we may have call times as early as 6:30 AM. At those events, we require all athletes to travel to the event on the night before to avoid weather issues and for a team practice/meeting.

Remember: Most competition companies wait until the week of the event to release their final schedules. We will keep you informed of the schedule as soon as we know it.

CHEER STATION

SPECTATORS FAMILIES AND GUESTS

We have a parent viewing room available and there will be periodic “show off” performances for family and friends. Should you need to talk to a coach, please wait until after practice or set up a meeting time with that coach.

Sometimes, the parent viewing will be closed so teams can give their full attention to the coaches and Routines (this is to ensure that teams is focused and ready to compete). On these days we ask all parents to drop off and leave the facility. If a team member would like to bring a friend or a recruit to practice, please ask for a coach’s permission. All-star cheerleaders from other programs **will not** be allowed to visit the gym during the competition season without permission from the program director. **Any parent, spectator or athlete that acts disrespectful or talks negatively about another athlete, gossips or acts with poor sportsmanship will be asked to leave the viewing area or the gym. Thanks in advance for your understanding and compliance.**

CLASS AND OPEN GYM/TEAM TUMBLING

Team members will receive a \$25 per class discount. Open gyms are offered several times per week for only \$10 per visit. Starting September 9th-December 16th, we will be adding an hour of **Team Only** tumbling session on Thursdays and Saturdays for only \$15 per session. Sessions will be offered by level so we can assign the appropriate staff.

TEAM SIBLING DISCOUNTS

This year, we are offering a \$50 sibling team discount for the 2nd or 3rd child for the elite team program. There is a \$20 sibling discount if you have multiple athletes on prep teams or one athlete on elite and one athlete on prep/novice.

UNIFORMS

We will be getting a NEW uniform this season for prep and elite teams. Uniform fitting dates are June 27 from 4:00-8:00 pm and June 28 from 2:00-5:00 pm. These are the only dates that we will be doing fittings since our rep is coming in from Dallas. If you will be out of town for the uniform fitting, you will need to take measurements for your athlete and send them to Amara@cheerstation.com. If you need help measuring your athlete, please ask Katie or Amara.
