

# TESTOSTERONE PELLETS

1

NuCara pharmacy is pleased to be providing you with your testosterone pellets. NuCara's testosterone pellets are custom compounded with validated methodology in our sterile laboratory. **Within 24 hours after the receipt of the testosterone pellet prescription from your provider, you will receive an outreach call from the pharmacy to coordinate.**

2

This call will come from a "512" area code and, in some cases, may even show as "spam" on your caller ID. Please answer this call so that the pharmacy may complete your profile, review the medication, and collect payment for the prescription. Once payment is collected, the pharmacy will process the order and send the pellets to your provider's office in anticipation of your appointment date. **Please note - the pharmacy will not send out pellets without payment.**

3

Upon receipt of payment, the pharmacy will process the order and send it to the practice where you have your procedure scheduled. If you need to have additional contact with the pharmacy, feel free to reach out to our staff. NuCara pharmacy can be contacted at:

**NuCara Pharmacy**

**Ph: 512.454.9923**

**6111 Burnet Rd**

**Austin, TX 78757**

**Thank you so much for your patronage. We look forward to serving your needs!**
