

Congratulations on your engagement! All Saints invites ASPC members and their children to use our facility for their wedding ceremony and/or reception. We also invite couples who are in ASPC church related situations, including other PCA churches. Visit our [Membership webpage](#) for information on how to become a member.

To begin the wedding application process, the first thing to do is secure your wedding and rehearsal dates and times by completing the following:

- **First:** Review the All Saints Wedding Contract & Policy Agreement and complete the Wedding Request Form online. The wedding coordinator will contact you soon after completion of the request form regarding the church's availability.
- **Second:** Receive pastoral approval for your marriage. Either the All Saints pastor officiating your ceremony will approve your marriage, or All Saints will extend an invitation to your desired pastor to officiate your wedding at All Saints. Either way, proof of completed pre-marital counseling is due 30 days before the wedding. A signed letter from your counselor may suffice.
- **Third:** Sign the All Saints Wedding Contract & Policy Agreement and submit it to the wedding coordinator along with the deposit at the time of your initial meeting with the wedding coordinator. The deposit is non-refundable but will be applied toward wedding fees.

Please note, we cannot reserve the church for your wedding until these 3 steps are complete.

MARRIAGE LICENSES

The Travis County Clerk issues marriage licenses at the [5501 Airport Boulevard Office](#) in Austin, Texas. If you need additional assistance, please contact the office of the clerk at (512) 854-9188.

Marriage License Waiting Period

There is a required 3-day waiting period between the time a marriage license is obtained and the ceremony ([Texas Family Code, Chapter 2, Section 2.204](#) ). The marriage ceremony may not take place during the 72-hour period immediately following the issuance of the marriage license unless an applicant:

- Is a member of the armed forces of the United States and on active duty,
- Performs work for the United States Department of Defense as an employee or contract worker,
- Obtains a written waiver from a judge of a court with jurisdiction in family law cases, a justice of the supreme court, a judge of the court of criminal appeals, a county judge, or a judge of a court of appeals, or
- Completes a premarital education course described by Texas Family Code Section 2.013 and provides the County Clerk with a course completion certificate indicating completion of the course within one year of the date the marriage license application is filed with the Clerk.

Marriage License Expiration

A marriage license is valid for 89 days from the date it is issued. A marriage license expires if it has not been used before the 90th day after it was issued. If a couple wishes to marry after the expiration date, a new license must be purchased.

Steps in Obtaining a Marriage License

1. The bride and groom must bring the following to the [Travis County Clerk's Airport Boulevard location](#) (not the Travis County Courthouse):
 - Proof of identity and age using documents approved by state law. These may include an official copy of the applicant's birth certificate, a driver's license or state-issued identification card, or an approved document issued by Texas or another state, the United States, or a foreign government (i.e., passport, visa, military identification, etc.). For more proof of identity and age options, please call our office at (512) 854-9188.
 - The Social Security Number of each applicant (if the applicant has one). Applicants do not need to show a Social Security Card.
 - If divorced, and the divorce was finalized in Texas within the previous 30 days, an applicant must provide a certified copy of the divorce decree which states that the 30-day waiting period has been waived. This does not apply to out-of-state divorcees.

(If a previously-divorced applicant wishes to use her maiden name, she will need to provide identification showing that maiden name (such as a certified copy of her birth certificate or a certified copy of her divorce decree that states her name is to be changed)).

2. At the Clerk's Office, the bride and groom will complete a marriage license application and pay the \$81.00 license fee.

- Note: The [Texas Twogether Program](#)  allows applicants to waive a portion of the marriage license fee if they complete a premarital education course and provide a certificate that the course was completed not more than one year before the date of the marriage license.
 - Additionally, a member of the National Guard on federal active duty, or a member of the armed forces of the United States on active duty, who is preparing to be deployed to serve in a hostile fire zone as designated by the United States Secretary of Defense is exempt from marriage license fees.
3. Following the ceremony, the person authorized to conduct the service must date, sign, and note the county where the ceremony occurred on the certificate. The marriage license must then be returned to the Travis County Clerk's Office within 30 days from the ceremony date. Once the office receives the license, it will be copied and filed and the original will be returned to you.
