

Vault Door

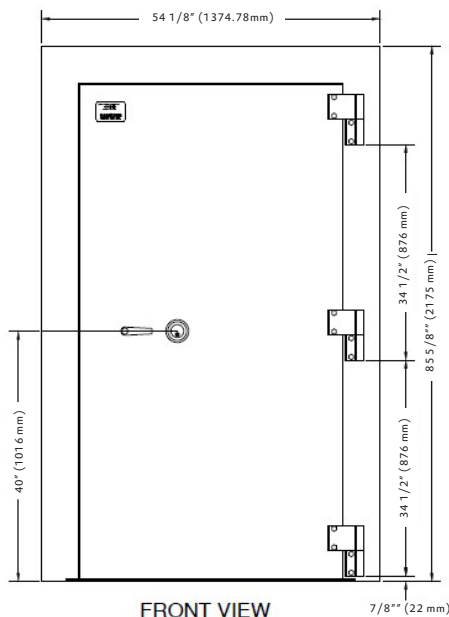

Hamilton offers a wide range of vault doors and modular vaults approved for use by federal agencies. From

our most popular GSA Class 5 Vault Door to our high security modular vaults in Class 1, 2, 3 or M, we provide high level security solutions for government, military and law enforcement.

For more information on our modular vaults, please visit www.hamiltonsafe.com

Every Class 5 vault door is an out swing design, either left, or right opening swing. Optional optical devices are available for viewing either into or out of the vaulted area. Optional Day Gates are also available.
