

Sky Pine News

To the Pine Ridge North Village IV Community,

In the short period of time that I have been on the Board of Directors many members of the community have greeted me with a great sense of optimism, insight and willingness to lend a helping hand. In these current times of new and changing Florida regulations and lack of a competitive Insurance environment, we will face some unique challenges for the next few years.

Our job as a Board, while difficult to navigate, is to provide good solutions and options to all these challenges and be transparent with the community.

Our goal is to maintain and/or improve the maintenance, beauty, safety, financial stability and the overall quality of life in OUR community.

We want to be PROUD to say that we live in PRN IV!!!!!!

We want to work with all Pine Ridges to make this a great and friendly neighborhood to live in.

Enjoy life, help your neighbors and those less fortunate, look for the good in people.

Sincerely,

Philip Lombardo

President of Pine Ridge North Village IV

Carnevale

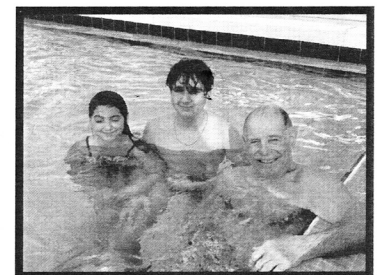

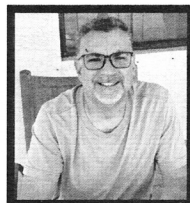

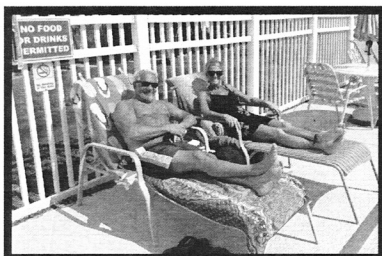

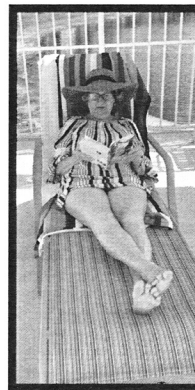

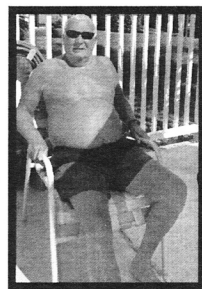

Carnevale is one of the most colorful celebrations in the world. In Italy, where it is believed to have begun, they are serious about it. It is a farewell party before the limitations of Lent begin. About a month before Ash Wednesday, which was February 14 this year, Carnevale is celebrated with parades, masks, dancing, food, drink and fun. Very much like Mardi Gras in New Orleans, Carnevale is celebrated across the globe. Here at Pine Ridge North IV the Italian ladies plan and prepare a wonderful evening of the community.

Mah Jongg

Mah Jongg is a game similar to rummy which was originated in China. It was brought to the US by James Babock in the early 20th century. Mah Jongg has become very popular and is relatively easy to learn. It uses a card of Standard Hands which is changed annually. It is played at Pine Ridge North IV on Mondays and Thursdays at noon. Come and watch, learn and Join the games!
