

Will You Sponsor Our New Nest?

Join us in building the first Metro East Cancer Community Center. This Center would bring Wishes, Resources, and Community all to the same place. THE NEST would be a space to help bring adult cancer patients, caregivers, and family/friends together to learn, meet one another, support one another, get healthy with one another, and so much more. This building will become the forefront of 3 Little Birds 4 Life to continue their successful Wish Granting and Birdie Bag programs.

We need YOUR SUPPORT to help us raise the funding needed for construction of our NEST. We need to raise **\$50,000** to cover construction costs, office furniture, office electronics, and materials for the Mission Center. Would you consider becoming a **WishMAKER** to support local adult cancer patients?
