

WORKOUT 4 WISHES

## **JOIN THE VIRTUAL 5K/10K CHALLENGE** **SPONSORSHIP TEAM AND COMMIT TO** **PROVIDING SUPPORT TO ADULTS WITH CANCER**

### **Why Your Company?**

Adults with cancer most of the time get looked over. They sometimes are the breadwinner of the home, or the one that cooks meals, cleans, and shuffles their kids to all kinds of activities. So, what happens when those family members get diagnosed with cancer? Stress, feelings of burden on the other family members, questions about how they will pay the bills, how will they continue with their family responsibilities, and so many more feelings.

That is where 3 Little Birds 4 Life comes in to help. We provide a Care Team, that helps delegate home responsibilities to other family members/friends/volunteers, we provide meals, we help pay medical or utility bills if needed, and take the stress of cancer away as much as possible.

Your Company, through a sponsorship, can help us provide these essential services to local adult cancer patients. Not only will it help the patient, but cancer directly effects the family as well. You will help an entire family live as normal as possible, take the stress of daily life, and get the support needed during a time of distress.
