

DEAR FRIEND,

3 Little Birds 4 Life will be celebrating the courage, determination and spirit of individuals during the most challenging times of their lives at our 8th Annual Jamdown Rockas Gala on Friday, May 1st, 2020 at Gateway Center in Collinsville, IL.

The Jamdown Rockas Gala brings the fun and flair of the islands to St. Louis all while supporting the wish granting efforts of 3 Little Birds 4 Life.

3 Little Birds 4 Life is a 501(c)3 non-profit organization dedicated to impacting adult cancer patients through Wishes, Resources, and Community. Along with granting wishes, we provide cancer patients with Birdie Bags to bring a smile to their face during such a stressful time in their lives. Since 2012, 3 Little Birds 4 Life was able to grant more than 400 wishes, and donated over 4000 Birdie Bags to local cancer patients. Below are just two examples of wishes that were granted because of the money raised at the Jamdown Rockas Gala:

MEET JAREMY

Jeremy is a young man and father of 2 beautiful girls. Jeremy was diagnosed with Hodgkin's Lymphoma this past fall, and found out how devastating a cancer diagnosis can be on a family. His car was in desperate need for repair, so his boss, Allison, nominated him for a Wish to have 3 Little Birds 4 Life repair his car. During the repair

process it was found that his car was in such bad shape that we were not able to repair it. After putting a post about his car on social media, George Weber Chevrolet and CKE Properties stepped up and donated a new car to him, and even purchased Christmas presents for his 2 girls.

MEET TOM

Tom is a husband and father of 1 son. He was diagnosed with Seminoma Cancer, and it changed his life. He is the kind of husband that loved to fix things, and had a few home projects that he hoped to finish. During treatments, he found out that it took too much out of him, and he wasn't able to finish those

projects he hoped to. 3 Little Birds 4 Life came in, and with the help of many volunteers, past Wish Recipients, and Gateway Waterproofing and Restoration we were able to complete all of those home projects, and take that stress off of him, so he can focus on recovery.

The Jamdown Rockas Gala features dinner, dancing, island fun and a fund-a-wish live auction. Jamdown Rockas means Jamaican music to rock to and enjoy. This supports the ideology behind the name 3 Little Birds 4 Life and provides an enjoyable, relaxed setting for our attendees.

A sponsorship level sheet is enclosed for your reference. Although some aspects of these wishes are donated, there are still many things we cannot afford to cover the costs of, in order to make their wishes come true. Please know that your involvement with 3 Little Birds 4 Life will have a positive and profound impact on our mission. Please feel free to contact us at the numbers below with any questions. Thank you for your support of 3 Little Birds 4 Life, and your consideration, we look forward to including you!

Thank you in advance for your generous donation.

REASONS TO SPONSOR:

Your sponsorship to 3 Little Birds 4 Life will help us continue our mission of granting wishes for those managing cancer.

You can expect the following in return:

- Your company will be showcased before the St. Louis Business Community's decision makers
- Guaranteed well-placed advertising
- Great networking opportunities
- Community support
- Tax-deductible contribution to 3 Little Birds 4 Life

3 Little Birds 4 Life is a 501 (c)(3) non-profit organization dedicated to impacting the lives of adult cancer patients, ages 25-55, with any type of cancer at any stage.

Along with granting wishes we provide Birdie Bags, resources, and community opportunities to assist in all aspects of their cancer journey. Founder Ashley Swip created 3LB4L in honor of her brother Guy "Tyler" Gifford.

It was through all of the treatments, surgeries, and the final stages that she realized that Guy, at 28 years old, needed to have one more great day doing the things that he loved. In the endeavor to make Guy's final wishes come true, she quickly realized that it's hard work.

After many hours of hitting dead ends, a lot phone calls, emails, and Internet searches, Guy was granted an experience

of a lifetime with the World Champion St Louis Cardinals – to sit in the press box, meet the announcers, and go on the field before the game during batting practice.

While the experience was truly amazing and unforgettable, it was also an eye-opener. There needed to be an organization that could give adults, currently managing cancer, the opportunity to get away from it all.
