2017 Event Sponsorship

3 Little Birds 4 Life is a 501 (c)(3) non--profit organization dedicated to enhancing the lives of young adult cancer patients, ages 18 - 40, with any type of cancer at any stage. Along with granting wishes, we provide resources and support to assist in all aspects of their cancer journey. Founder Ashley Swip created 3LB4L in honor of her brother Guy “Tyler” Gifford. It was through all of the treatments, surgeries, and the pain that she realized that Guy, at 28 years old, needed to have one more great day doing the things that he loved. After many hours of hitting dead ends, several phone calls, emails, and internet searches, Guy was granted an experience of a lifetime. A day with the World Champion St. Louis Cardinals including an opportunity to sit in the press box, meet the announcers, and go on the field before the game during batting practice.

While the experience was truly amazing and unforgettable, it was also an eye-opener. There is now an organization that could give young adults, currently managing cancer, the opportunity to get away from it all. Our organization cannot function without the generous donations of sponsors, cash donors, and donated goods and services from industry professionals.
