ASHLEY SWIP

My name is Ashley and I am the Founder of 3 Little Birds 4 Life. I started this organization 12 years ago with the vision of creating a community for cancer patients, caregivers, and friends to not feel alone. Through our Yellow Daisy Project, Spoonful of Comfort, Birdie Boxes, and The Nest, we can successfully create the community that will help this group of people feel all the Confetti.

ABOUT US

Chances are that you've heard the captivating and peaceful lyrics from Bob Marley's "3 Little Birds" sometime in your life – "Don't worry about a thing 'cause every little thing gonna be all right." This song was the very essence of Guy "Tyler" Gifford, brother of our founder, Ashley Swip. Tyler had a unique way of making each and every person around him smile, laugh, and remember that everything would be all right, no matter what. When Tyler passed away November 2, 2010, the words from "3 Little Birds" were placed on his prayer card, and through his life, his caring nature, loving heart, and this song, 3 Little Birds 4 Life came to be.

Don't Worry

WHAT IS OUR MISSION PARTNERSHIP?

Your Partnership will help us to continue to spread kindness like confetti to local families impacted by cancer. We spread our confetti 3 different ways: our signature Birdie Boxes (care packages), our meal kit program (Spoonful of Comfort, and our flower delivery program (Yellow Daisy Project), and our Nest Community Center. Each one of these programs supports patients, survivors, caregivers in a different way. Those impacted by cancer need treatment support, emotional support, community support, meal support, and even just knowing that someone is thinking about them. Through our programs...we give them that support.

The support from businesses like you allow 3 Little Birds 4 Life to celebrate local cancer patients through our Birdie Boxes, the Yellow Daisy Project, and helping us Spread Kindness like Confetti in lots of different ways.
