

Confetti Club "Friend"

Your Friendship will help us to continue to donate 100 treatment and celebration boxes per month to Siteman in South County and Shiloh, and add a new location at Barnes Hospital.

The support from "friends" like you allow 3 Little Birds 4 Life to celebrate local cancer patients through our Birdie Boxes, Celebration Boxes, and the Confetti Club.

Your support today will help us to continue to donate 100 Birdie Boxes (our treatment support box), 100 Celebration Boxes per month to Siteman in South County and Shiloh, and add a new location at Barnes Hospital (an additional 100+ boxes of each/month)
