CHOICE CRITICAL CARE IS **NOT** A HOME HEALTH AGENCY

CHOICE CRITICAL CARE PROVIDES:

- Training & education for clients/caregivers to perform home infusion therapy safely in the home.
- Provide back-up services for IV restarts and blood draws when requested.
- Supplies necessary to accomplish home infusion therapy including appropriate pump if necessary.
- RN and registered pharmacist on call 24 hours daily, including weekends and holidays.
- Provide in-service to local home health agencies when requested.
- Communicate with physicians regularly with updates on client's progress from provider standpoint.
- Co-operate with local home health agencies concerning problems related to supplies, IV access, or concerns relevant to patient/client care.
- Pharmacist is available to answer questions related IV and/or PO medications.. a resource person.
- Our main concern is the well being of the client & that quality of care is our utmost concern.

* Our staff works closely with the local home health agencies in the area to provide the I.V., care, and supplies needed.
