

## Wrap Around Markers

These durable, UV-resistant tags install quickly on active lines and provide secure, long-lasting identification for indoor and outdoor use.

| Part Number | Cable Diameter | Material Size | Message                   |

| Part Number | Cable Dia.  | Total Material Size | Part Number | Cable Dia. | Total Material Size | Part Number | Cable Dia. | Total Material Size |
|-------------|-------------|---------------------|-------------|------------|---------------------|-------------|------------|---------------------|
| DN32        | 1/4" - 1/2" | 2" X 2"             | DN34        | 1" - 2"    | 7" X 7"             | DN36        | 3" - 4"    | 10" W X 14" H       |
| DN33        | 1/2" - 1"   | 4" X 4"             | DN35        | 2" - 3"    | 8" W X 10" H        |             |            |                     |

## Hang Around Markers

Hang Around Markers use the same secure coil attachment as Wrap Around Markers, with an added flap for high visibility. UV-stable and double-sided, they make identifying aerial cables from ground level quick and easy.

| Part Number | Cable Diameter | Panel Size    |
|-------------|----------------|---------------|
| DN33HA      | 1/4" - 1/2"    | 6" W X 2" H   |
| DN34HA      | 1/2" - 1"      | 7" W X 3.5" H |

### Customization Options Available

- Add company name, phone number, and logo (*vector graphic required*)
- Multiple color and sizing options available
