SD-W-CC	3 7/8" Diameter	"DRAINS TO WATERWAYS"

- Supports MS4 Compliance – Helps municipalities meet stormwater outreach and public education objectives by clearly identifying storm drains and promoting environmental awareness.
- Cost-Effective Public Education Tool – Provides a long-lasting alternative to paint and stencils, reducing maintenance costs while reinforcing anti-pollution messaging.
- Durable, Weather-Resistant Construction – Tough vinyl markers with polyurethane-dome are scuff-resistant and designed to withstand years of weather exposure and traffic.
- Customizable and Easy to Install – Available in multiple sizes with custom printing options and can be installed using adhesive discs or vandal-resistant adhesives for a variety of applications.
