

**Snap-Loc Hang Around Signs** are highly visible and clearly messaged on both sides. They are made from durable thermoformed curled UV treated vinyl to create a tight, permanent coil that can be reopened and simply snapped around wire fence strand, cable, chains, chain link top rails, gate/fence tubing, etc. **Snap-Loc Hang Around Signs** can be easily and quickly installed with no tools required.

- *Highly visible, long lasting, and very affordable*
- *Double sided for dual or multiple messaging*
- *Made from durable UV treated vinyl*
- *UV resistant enamel inks. Will not peel or disbond*
- *Weather, wind, UV, and theft resistant*
- *Simple, fast, secure installation*

## **SECURELY & QUICKLY ATTACHES TO:**

- ★ **Wire fence strand**
- ★ **Cable & chains**
- ★ **Chain link fence top rails & gates**
- ★ **Gates/rail fences and much more!**
