

Handhole Markers

- Made out of thick and durable light gray .25 polyethylene material
- Text engraving provides long lasting and visible identification (3mm stroke and 1/16" deep)
- Standard and custom sizes available
- They are a great way to re-purpose obsolete or over-stocked handholes
- Order minimum is 100 quantity - quantity price breaks are available
- We offer Sikaflex to adhere markers securely to handholes (caulking gun is needed)
