# Bracketless Aerial Marker

Save time and money with the all-in-one bracketless aerial marker. There is no need to add plates. Simply use a hammer and ratchet to attached the marker to the integrated square post.

- Plate material is .080" aluminum
- Reflective material increases visibility
- 1-to-4 digits can be printed on one convenient plate
- Takes up less storage space and costs less to ship
- Assembly time is vastly reduced

Part No.	Description
BAM1624	24" wide marker with square post
BAM1636	36" wide marker with square post
BAM1648	48" wide marker with 2 square posts
AMP616*	6" x 16" Aerial Marker Plate
