Solicitor Shield™

ACP Solicitor Shield™ signs are comprised of durable reflective aluminum with a clear UV protectant. Signs are mounted onto heavy-duty aluminum stakes. Custom Full-Color UV print allows you to customize copy and incorporate full-color logos.

Solicitor Shield Signs are:

- made of .063 or .080 gauge EG Reflective aluminum for durability and visibility
- printed with long-lasting UV-stabilized inks
- signs are produced with an over-print clear that adds UV protection
- standard 8.5” x 11” signs are mounted to 30” aluminum u-channel post
