WHO WE ARE:

Capital StreetScapes is an OEM manufacturer of decorative street sign components and extrusions. We manufacture custom street and traffic sign products to meet your signage and wayfinding system needs. Our custom street signs are designed to be as beautiful as they are long lasting and our range of products allows for a truly custom style that perfectly reflects the personality of your community. The experienced Capital StreetScapes team is well educated in our product offerings and will provide everything you need to know to make an informed decision. We pride ourselves on the products we offer and the service we provide.

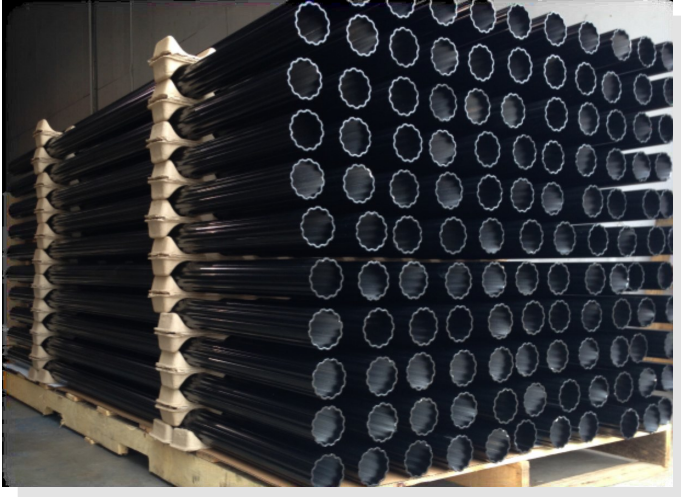

COMMITMENT TO OUR CUSTOMERS:

At Capital StreetScapes, we are only as successful as your level of satisfaction with our custom sign products and services. **Daily we will strive to:**

- Meet or exceed your expectations of us
- Provide high quality, durable products at or below prices you'll find anywhere else in the marketplace
- Stand behind our products and promises
- Conduct our business in a friendly, respectful, and God-honoring way
- Leave you with a positive experience; satisfied with what you've received and returning to do business with us in the future
- Work hard to keep your business

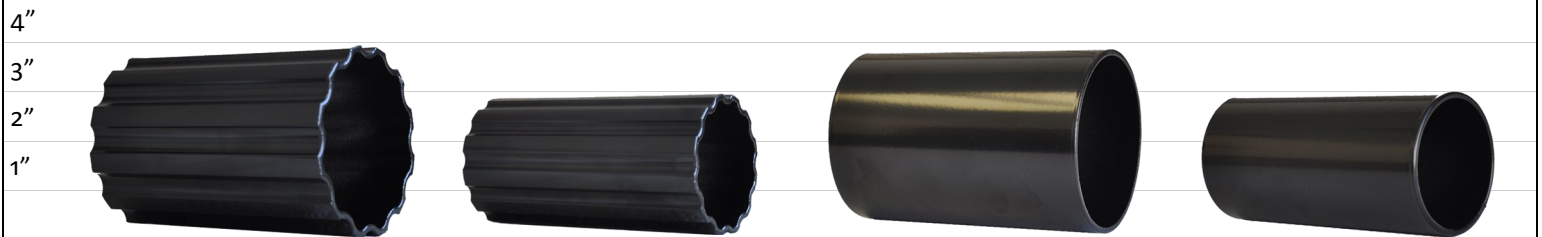

CUSTOM FLUTED AND SMOOTH SIGN POLES

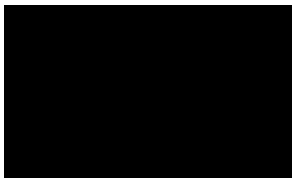

Capital StreetScapes manufactures and sells custom fluted and smooth sign posts for ornamental wayfinding and street signs. All of our sign poles are beautifully designed, guaranteed to be long lasting, and meant to be used with our custom decorative bases, finials, frames, and hardware. We stock our standard semi-gloss black, but also run a hunter green and bronze. If you are interested in a custom color, please contact us.

DECORATIVE SIGN POST

Lengths available for 3" and 4" Fluted and Smooth Poles:
8 feet, 10 feet, 12 feet, and 14 feet with a .125" wall

Minimum quantities may apply to some smooth pole lengths

Black

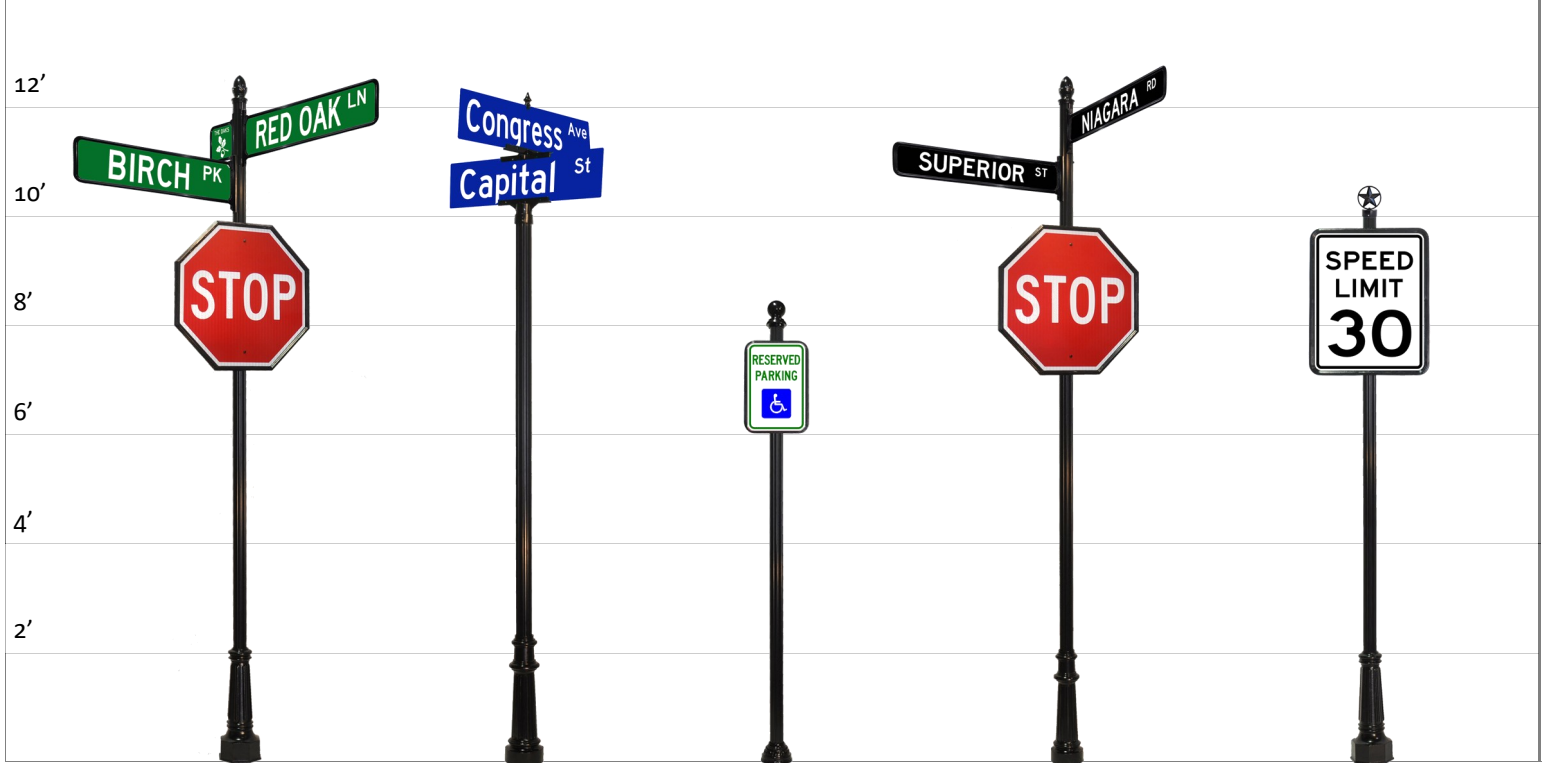

Hunter Green

Dark Bronze

Street Signs

At Capital StreetScapes we manufacture almost any custom street sign or traffic sign in high intensity, engineer grade, or diamond grade reflective sheeting. The styles and types of decorative street signs we fabricate are too numerous to show here.

Use the signs with one of our cast aluminum decorative sign frames or mount the sign in a stand alone fashion. It's up to you to create the best decorative street sign style for your unique situation. All of our parts are meant to compliment each other and designed to create a custom look that is both beautiful and long lasting.

Custom Signs

Capital StreetScapes provides custom wayfinding street sign components for residential and commercial properties that are able to accommodate and style or design. Our wayfinding street signs provide increased visibility and safety for drivers and pedestrians alike by using reflective materials and long-lasting, quality parts. Capital StreetScapes cast aluminum street sign components can be used to create hundreds of different designs of decorative wayfinding signage. The only limitation is your imagination.
