TAKE THIS HOME

The next couple of weeks:

Thank you for your patience and understanding. We are committed to maintaining our regular hours but will have the main doors closed out of abundance of caution. To maintain our service level please see our directions for the following services:

- New Prescriptions
 - Drop off through our drive-thru and we will call you when ready. You may wait in your car while we fill your items.
- Refills
 - Please use our pharmacy app, phone system, or online refill platform. If assistance is needed, please call the store.
- OTC Shopping
 - Please email a list to retail@inletrxgroup.com or call us and we will get your items ready for you.
- Counseling
 - We have pharmacists available by phone or secure video chat.
- Vaccinations
 - Please call ahead and schedule a vaccination appointment and we will vaccinate you in your car.
