

Dear Customer,

First of all, I would like to thank you for your continued support and patronage through the years. Henderson Drug has been a mainstay in Clarksdale since 1926. Due to the fact that there is a shortage of pharmacists in this area, and for business reasons, I find it necessary to make a change. I will be consolidating Henderson Drug and my other store Economy Drug into one location at 2021 Hospital Drive, which is the current location for Economy. The name will be Henderson's Economy Drug. Besides fulfilling your prescription needs, we will continue to offer the same services that we offer now, such as charge accounts, delivery, compounding, home medical equipment and supplies, and orthotic fittings. At the new location we also have a drive-thru window for your convenience. We also offer online prescription refills through our mobile app, RxWiki or website, hendersondrugrx.com. Our website offers medical information concerning medications and general health related questions.

I am informing you as a valued customer, before the general public. Our plans are for this to take place [Monday, September 22](#). I am hopeful that we can continue to serve your prescription and health care needs. My pledge to you is to make this transition as seamless as possible and offer you the same great customer service that you deserve. We are having a moving sale, so please come see us and take advantage of huge discounts on our merchandise. We look forward to serving you in our new location.

Best wishes for your good health,

The Henderson's Economy Drug Team
