WINE BUNDLES *no substitutions*

Six Delicious Weeknight Reds \$108

This bundle includes six of our favorite daily drinker reds, at a price point that won't make you fret about whether to open a second bottle. Like all of the wines on our list, these reds are textured and terroir expressive, made by thoughtful producers who focus on clean, limited intervention wine making, and go great with food.

Pinot & Gamay Bundle – \$175

Get six of the restaurant's go-to light reds. Gamay, long the predominant grape of Beaujolais, is often relegated to "little brother" status when compared with the exquisite virtues of Pinot Noir. But Gamay is being taken more seriously on it's own terms these days. Try this nice selection of both classic grapes in this bundle.
