Grasses		
Grass	2	Low
Sedge		
Weed		
Misc		
Mold	5190	Low
TVC Pollen counts performed by Susan Harry	Provided as a courtesy by Medical Center Pharmacy 1867 Airport Way, #105 Fbks, Ak	Jerry Brown
	My Interpretation is that	Mold is up dramatically
	>100	Sensitive individuals will be reactive
	>200-1000	Individuals will have slight to moderate reactions
	>1000	For for those Allergic individuals It is just a matter of "How miserable are you"
