

## GoGrant Recipient Spotlight: Ballet Austin

**Ballet Austin's mission:** to involve and strengthen the community through the creation and experience of dance and the encouragement of health and well-being.

**In 2023, with the support of GoGrant funding:** Ballet Austin received custom consulting to understand available resources and solutions that could ease transportation burdens for students of the Ballet Austin Academy and the Butler Dance Education Center, with the goal of reducing dependency on parking at Ballet Austin's downtown headquarters. The organization also received funding to increase and maximize utilization of the flexible CapMetro transit passes it offers for free to administrative employees, dancers and Butler Fellows through an outreach and education program to encourage the use of public transportation for commuting.
