

GoGrant Recipient Spotlight: Out Youth

Out Youth's mission: promote the physical, mental, emotional, spiritual, and social well-being of sexual and gender minority youth so that they can openly and safely explore and affirm their identities.

In 2023, with the support of GoGrant funding: Out Youth's bus pass program eliminates transportation scarcity for program participants who can't otherwise afford the cost of riding transit. Thanks to GoGrant, Out Youth was able to purchase 31-day CapMetro bus passes for its clients, ensuring that LGBTQIA+ community members are able to make it to work, doctor appointments, job interviews, and other essential engagements.
