2. Commuter Program Primary Benefits

Your organization must offer at least one primary benefit to employees to qualify for Best Workplaces for Commuters. (Please select all that apply)

Transit Pass - We offer to pay on average at least \$30 per month towards a transit pass (or the full cost of a pass if it is less than \$30) for each employee who commutes using transit.

Yes

No

If yes. transit Pass Subsidy Amount:

If yes. vanpool Subsidy Amount:

Vanpool - We offer to pay at least \$30 per month for vanpool costs (or the full cost if it is less than \$30) to each employee who commutes in a vanpool.

Yes

No

Pre-tax - We provide a pre-tax option for employees for their purchase of transit and/or vanpool fares with at least 30% of our employees purchasing such fare media of at least \$30 per month.

Yes

No

Telework - We offer a significant telework program that reduces by at least 6% the number of commuting trips our employees make per week.

Yes

No

If yes, what percentage of employees' commute trips are eliminated by telework?

Compressed Workweek - We offer a significant Compressed Workweek program with employees working longer hours on fewer days (e.g., workweek is 40 hours over 4 days) that reduces by at least 6% the number of vehicle trips our employees make per week.

Yes

No

If yes, what percentage of employees' vehicle trips are eliminated by the compressed workweek program?

Parking Cash-Out - We offer a cash option to employees instead of an employer-paid parking space. We offer to pay employees at least \$30 per month instead of providing a parking spot to each employee who leaves their car at home and commutes another way.

Yes

No

If yes, the amount paid per month for each parking spot given up:

Employee Shuttles - We fully or partially fund one or more employee shuttles from rail stations and/or park and ride lots. The shuttles can be either directly operated by the employer or purchased transportation through a local TMA or service provider.

Yes

No

Bicycle Commuting - We offer a significant bicycle commuting program with at least 6% reduction in the number of motor vehicle trips our employees make by bicycle per week.

Yes

No

If yes, what percentage of employees' vehicle trips are eliminated by bicycling?

Carpool - We offer to pay at least \$30 per month to employees to carpool to work which reduces by at least 6% the number of vehicle trips our employees make per week.

Yes

No

Equivalent Benefit - We offer an equivalent benefit that provides similar value to our employees, reduces traffic and air pollution, and is agreed to by Best Workplaces for Commuters. If yes, please describe below.

Yes

No

Equivalent benefit description:

3. Emergency Ride Home Program

Your organization must also offer employees access to some form of an Emergency Ride Home program - formal or informal.

* Type of Emergency/Guaranteed Ride Home program offered to employees (check all that apply)

- Employer subsidized in-house program
- Employer subsidized ride hailing (e.g. Uber/Lyft) service
- Provided by an outside organization (e.g. TMA)
- Other (please specify)

- None of the above

4. Supporting Benefits

* Select the supporting commuter benefits your organization provides. **Minimum three required.** Please check all that apply.

- We assign an employee to be our **Employee Transportation Coordinator** who assists other employees by providing products and services to facilitate employee use of commute options other than driving alone in the peak period.
- We maintain an active membership in a **Transportation Management Association** (like [Movability!](#)) and/or we provide access to other local or regional commuter assistance programs to assist employees in finding commuting options rather than driving alone.
- We maintain an active membership in a local **ozone awareness program**, in which we agree to notify employees of expected poor air quality and suggest ways that they might minimize polluting behaviors.
- We provide commuter information in a **Transportation Kiosk** or display area.
- We established a formal **shared parking arrangement** with an adjacent property owner where we both agree to share parking.
- We allow employees to **deduct transit fares** from pretax income at less than \$30 per month.
- We allow employees to deduct **pre-tax vanpool costs** from pre-tax income deducted from their paycheck at less than \$30 per month.
- We provide **transit discounts** of less than \$30 per month.
- We provide **vanpool cost discounts** of less than \$30 per month.
- We offer **cash instead of an employer-provided parking spot** in an amount less than \$30 per month.
- We provide **financial incentives or housing discounts** to encourage employees to live closer to work (within 10 miles of the work location).
- Our employees have access to **park-and-ride lots or vanpool staging areas** that service our workplace.
- We provide **preferred parking** for carpools and vanpools (e.g., close to entrance, reserved only for carpools or vanpools).
- We provide access to our **workplace fleet vehicles** for official business.
- We provide **first and last-mile connection** at the beginning or end of an individual trip made by public transportation (e.g., Lyft, Uber).
- We provide **secure bicycle parking** (e.g., bicycle lockers, bicycle cages, indoor bicycle rooms, etc.).
- Our workplace has **on-site showers** and lockers accessible to all employees who walk or bicycle to the workplace.
- We have **bikesharing** on site.
- We have **e-scooters** on site.
- We provide **discounts for bikesharing memberships** and/or bikeshare rental discounts.
- We provide **discounts for e-scooter memberships** and/or e-scooter rental discounts.
- We have installed one or more **Level 2 or Level 3 electric vehicle recharging stations** that are accessible to employees or student commuters in company parking facility.
- We offer **compressed work schedules** that reduce commute trips by less than 6%.
- We have a **telework program** either as a matter of formal policy or as standard practice where some employees may work some regular paid hours at home occasionally or on a regular basis. This program reduces commute trips by less than 6%.
- Our workplace allows at least some employees to have **flextime** where they may periodically change starting and quitting times within some range of hours.
- Our workplace conducts an employee **commuting awards programs**.
- We offer **non-financial incentives** (e.g., additional vacation time) to encourage employees to use transportation options other than driving alone in the peak period.

We offer **reduced parking costs** for our employees who carpool and vanpool.

We offer **ridematching assistance** to our employees so they may find others to share the ride to work, either in-house or through an outside organization.

We directly **operate and support vanpools**—provided in-house.

We purchase and/or provide **access to third-party vanpools** or commuter highway vehicles (7+ passengers or more) and related services to foster vanpooling.

We support car sharing by **providing carshare parking** on site or adjacent to workplace for use by employees for short term (e.g., hourly) personal use.

Other (please specify)

None of the above

Our workplace contains **on-site amenities or concierge services** (e.g., convenience mart, dry cleaning, etc.) that reduces the need for employees to drive for the purpose of running errands.

We actively promote and participate in **healthy initiatives** to encourage and increase walking and bicycling.

5. Logo Upload

Upload your **organization logo** if you would like it to be included on Best Workplace promotion materials (website, press release, social media):
