

WHEN IN DOUBT, WHITE-BOARD IT OUT

MURAL

Digital workspaces can allow your team to collaborate online in real time, brainstorm, and plan out your next project. MURAL is a white-boarding program that simplifies remote collaboration.

Features:

- 7 white-boarding categories with 117 templates:
 - Planning
 - Designing
 - Evaluating
 - Empathizing
 - Learning
 - Icebreakers/Team Building
 - Brainstorming
 - MURAL also allows for you to custom design your own template
- Share your ideas and creativity: through typing and inserting sticky notes, organize list, flowcharts, diagrams, and even draw on your virtual white-board.
- Facilitator Superpowers: MURAL's new workshop management feature set allows you to save time and run a productive meeting with their various helpful tools.
- Access to a suite of templates designed by expert facilitators, with each containing pre-written instructions and training materials.
- Collaboration software integration with online programs:
 - OneDrive
 - Dropbox
 - Microsoft Teams
 - Jira
 - GitHub
 - Slack
 - Google Calendar
 - The Noun Project
 - Microsoft Excel
 - Microsoft Word
- Single Workspace and unlimited creation of murals and rooms
- Access to their open education programs such as their weekly webinars, and public workshops so you can learn how to use MURAL like a pro.
- Self-service and email support
- Invite unlimited anonymous collaborators to participate in your mural and work with your team.

IdeaBoardz:

IdeaBoardz allows teams to collaborate remotely and brainstorm in meetings through online sticky notes.

Features:

- Share an ideaboard with your team by copying the url from your browser and paste it to share via email.
- IdeaBoardz can be exported as pdf's of excel sheets
- IdeaBoardz is completely free, and does not require an account to be made to use the website.
