Tasting Note

Bright garnet color with rose petals, red cherry, doris plum and baking spice on the nose. A long and highly aromatic palate with layers of delicious red fruit, rosemary, wild thyme and an earthiness that compliments the enchanting florals. This is a worldly Pinot Noir with great length, fine tannins, vibrant acidity and noble power. Its unique character sings harmoniously of its Gibbston origins, a tiny place that produces exceptional wine that is enjoyable young and will continue to develop for many years to come.
