From Watts, go west on the 105 Fwy. to the 405 Fwy. north. Continue on the 405 Fwy. north for approximately 8 miles to the 10 Fwy. west. In Santa Monica, the 10 Fwy. goes through a tunnel and becomes Pacific Coast Highway (PCH). Continue going north on PCH to TOPANGA CANYON BLVD and turn right. Go approx 4.1 miles to OLD TOPANGA CANYON ROAD and turn left. After 2.7 miles on a winding road, you will see a sign for the Mill Creek Equestrian Center on your left, just before the driveway. Be careful making the left turn into the driveway as it is a blind turn.

There are many other hotels in Woodland Hills if you are looking for the least expensive Jennifer thought the Good Nite Inn which is right off the 101 freeway maybe less costly than these I have listed, I just don't know exactly where it is (either Calabasas or Agoura) it is slightly (but not much) further away.
