I have answered the screening questions truthfully and to the best of my ability. I understand that misrepresentation is grounds for denying this and future adoptions. I understand that submitting this application does not guarantee me the right to adopt the animal in question. If made available for adoption, a McKamey Animal Center representative will call the phone number listed above in an effort to contact me. From the time the phone call is placed, a potential adopter has a 24 hour hold on the animal during which time the animal is held explicitly for them. I understand that if I am not found to be a suitable owner for the animal, an adoption counselor reserves the right to deny adoption. 24 hours after the initial call is made, the animal will no longer be held for me.
