Greetings,

We are pleased to announce that Creative Compounding and Rogers Pharmacy are now operating as one. It is scheduled to take place officially on May 28th, 2019. On that date our combined pharmacy will begin conducting its practice as Rogers Pharmacy.

Our Pharmacy began its professional practice in 2007. Since then we have grown locally, state, and nationwide. As colleagues throughout the years it made for an easy transition as Cheryl sought retirement. For all of us, it will always be about the customer. We assure you that our pricing, product and support procedures will remain unchanged, and we intend to incorporate the best features of all our product lines in the future. Everyone you have come to know will still be here ready to assist you. Even your prescription numbers will be the same for refills. The name and address are the only change. We will also offer expanded services in retail and expanded hours.

Although we will be moving our offices to Rogers Pharmacy at the above address on May 28th, all existing phone numbers will continue to be the same as well.

If you have any questions about this exciting news and what it will mean for you, please contact any of us at any time. We are grateful to you not only for giving us the opportunity to provide you with pharmacy services but for your loyalty and friendship, which have enriched our relationship. We are confident that our new affiliation will serve us all well.

Thank you for your time,

Jason Rogers RPh., Cheryl DuFresne, The Pharmacists, Technicians, and Associates of
Rogers Pharmacy and Creative Compounding
