

SELECTION OR REJECTION OF UNINSURED MOTORISTS COVERAGE LIMITS (Michigan)

The Michigan Insurance Code does not require insurers of Commercial Automobiles to offer Uninsured Motorists Coverage; however, Lancer Insurance Company offers its insureds the opportunity to purchase such coverage at certain limits.

Uninsured Motorists Bodily Injury Coverage provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, or disease, including death.

The undersigned insured (and each of them), notwithstanding any information to the contrary in the application for insurance –

I hereby acknowledge that:

- (1) I understand the difference between the options available to me.
- (2) I understand that the election I make here will be binding on me and all named insureds under my Policy and will be in effect for every extension, reinstatement, substitution, amendment, alteration, modification, transfer, replacement or renewal of my Policy, unless I request, in writing, a different option.
- (3) Regardless of the number of covered autos, insureds, claims made, premiums paid, policies or vehicles involved in any one accident to which this Uninsured Motorist (UM) coverage applies, I understand that the UM coverage limits shown on the Declaration Page of my policy for "each person" and "each accident" shall not be increased by stacking the limits of coverage of any one or more vehicles covered under the same policy of insurance, nor shall these coverages be increased by stacking the limits of coverage of multiple policies available to the insured. The maximum UM coverage limit of liability is the limit shown on the Declaration Page and is the most the Insurer will pay for all damages resulting from any one accident.
