

NEW VENTURE SUPPLEMENTAL APPLICATION

Our goal at Lancer is to partner with your new trucking business for the Long Haul. Below are our new venture guidelines:

- 1st Year - No additional power units or drivers are allowed on the policy during the first year.
- Driver must be the owner of the equipment.
- 2nd Year - After your first year with Lancer, with underwriting approval a driver and company owned power unit can be added to your policy.

Note: The risk will be unacceptable per Lancer's underwriting guidelines and coverage will be reviewed for cancellation and/or non-renewal if the above guidelines are not followed.
