

The VIP Nasal Spray you have received contains Vasoactive Intestinal Peptide.

The VIP spray comes in a light resistant bottle* with an actuated nasal sprayer included. Each spray delivers 50mcg of VIP.

- The bottle containing the VIP has been shrink wrapped.
- If the bottle shows signs of tampering, please do not use the product and notify us immediately

**The glass bottle will only be 1/3 full, which is indicated by the black line on bottle. This is as intended. Any moisture in the package is likely condensation and not a spilled product.*
