WE HAVE AN ON-SITE LAB IN OUR OFFICE

All necessary blood tests can be done in our office, Monday through Friday, from 8:00 am to 4:00 pm. Our lab is called IHD. You need to be fasting for your FIRST blood draw. This means no food after bedtime but drinking water is ok. Bring a snack to eat after they draw your blood. The labs are normally covered by your medical insurance except some do not have a contract.

We have provided information below on Quest Labs for those who are not sure if IHD is a covered lab. (Note: IHD is not affiliated with Fair Oaks Women's Health or Pasadena Pellet Therapy. We offer them as a convenience for our patients.)

QUEST LOCATIONS

You can make an appointment at a Quest Lab location near you to have your blood drawn. To make an appointment using the Quest automated system call 888-277-8772.
