

OKLAHOMA HALL of FAME
P U B L I S H I N G

What follows in this book, are not happily-ever-after fairy tales, but reminders of our own deep identity as children of God. We are not our jobs, our family, our political affiliations, our bank statements – we are believers trying to mature into the people God has created us to be.

The men and women you'll soon meet found the strength to hold on when things fell apart. They learned lessons from life's messes or simply showed us how to live *on purpose and in love*.

So whether you're facing a mountain of problems, or simply need encouragement, begin now a routine of finding God in the nooks and crannies, in the doubts and dreams of your life.
