LEGACY DONOR PROGRAM

What is the Legacy Donor Program?

The Legacy Donor Program is a new **planned giving initiative** to create Oklahoma Hall of Fame Legacy Donors – those who have established a planned gift to leave to the Oklahoma Hall of Fame. Although planned gifts usually involve financial or estate planning, they are not reserved for the wealthy. Planned giving is for anyone who wishes to strengthen the future of an organization and **help support the mission for years to come**. Legacy gifts in any amount can be game-changing for an organization...from helping to sustain programs and add capacity, to growing endowments or launching new initiatives.

Types of Planned Gifts

While there are many types of planned gifts, the easiest and most common is a **bequest through a will**. This can be an outright monetary gift, a percentage of your estate, the naming of the Oklahoma Hall of Fame as a beneficiary on a retirement account or life insurance policy, or a specific asset (such as personal or real property). A gift via a will also has the possibility of reducing estate and inheritance taxes.

How It Works

Include the Oklahoma Hall of Fame in your will, as a beneficiary on your IRA, 401(k), 403(b) or other retirement plan, or as a beneficiary on your life insurance plan.

The Oklahoma Hall of Fame receives the gift at your passing based on your will or beneficiary designations.

Getting Started

It's easy to create a planned gift to the Oklahoma Hall of Fame!

To name the Oklahoma Hall of Fame in your will, here is some simple language you can utilize:

"I give, devise, and bequeath (list dollar amount, percentage of estate, or specific asset here) to the Oklahoma Hall of Fame located at 1400 Classen Drive, Oklahoma City, OK 73106, to be used for its general purposes."

To include us as a full or partial beneficiary, be sure to list us as "Oklahoma Hall of Fame", Tax ID 73-0784696.

Thank you for your consideration of becoming a Legacy Donor and helping sustain the mission of the Oklahoma Hall of Fame for generations to come.
