

OKLAHOMA HALL OF FAME

2021 Posthumous Nomination Form

The Oklahoma Hall of Fame was founded in 1927 to recognize its citizens who are dedicated to the betterment of mankind, illustrate the collective story of our state, and provide educational opportunities for Oklahomans of all ages. To date the Oklahoma Hall of Fame has inducted more than 700 individuals who have provided leadership in times of need, made a meaningful impact on others, and elevated the level of pride in our state. Each Honoree who has received our state's highest honor is part of a unique population of business leaders, public servants, philanthropists, artists, and personalities known outside the limits of their own communities.

To submit an individual for consideration please evaluate the following criteria, assemble the official nomination, and submit the requested information on or before the March 1st deadline.
