

Welcome to Catalyst Fitness

Your guide to the Downtown Fort Wayne location

We're glad you're here! Because our Downtown club sits inside a shared building, getting around takes a little extra know-how the first time. This guide covers building access, parking, and bikes so you can get in and get moving.

The Anthony Wayne Building — 203 E. Berry Street

Club Hours

Staffed hours	2:00 PM – 7:00 PM, Monday – Friday
----------------------	------------------------------------

Member access (via app/fob)	4:00 AM – 10:00 PM, seven days a week
------------------------------------	---------------------------------------

The building's outside ground-level door is locked most nights after 6:00 PM and all weekend — that's expected. Just follow the after-hours access steps below.

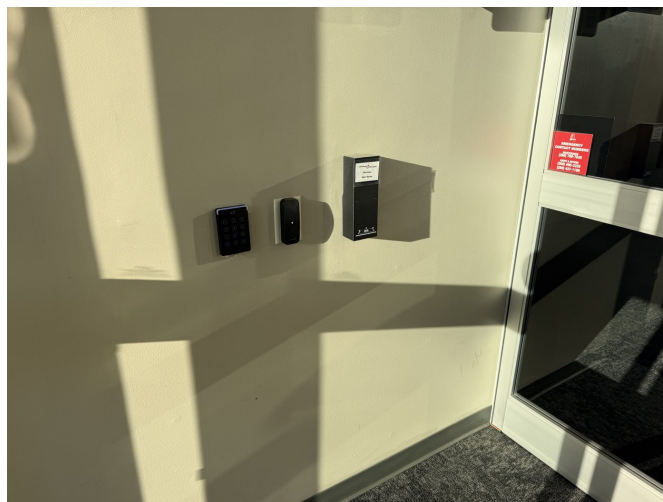

After-Hours Building Access

Look for the set of doors on the ground level of the building that face the courthouse (pictured below — Catalyst Fitness is listed as suite 004 on the building directory just inside).

1. Enter the outside set of doors (the ones facing the courthouse).
2. The scanner is on the left, just inside. Scan your Catalyst Fitness app or key fob.
3. The inside doors will unlock — head downstairs.
4. At the bottom, use your app or fob at the scanner once more to enter the Catalyst Fitness space.

Entrance facing the courthouse

The street-level scanner, just inside the entrance — look for the “Catalyst Fitness Members Scan Below” panel. The downstairs scanner looks the same.

Trouble with your app or fob? Email customerservice@catalyst-fitness.com and we'll get you sorted.

Bike Racks

Riding in? Bike racks are located along Berry Street, right next to the building.

A Bike Fort Wayne rack on the sidewalk along Berry Street, and additional racks right by the building entrance

Parking Options

- **Street meters:** free before 8:00 AM, after 5:00 PM, and all day on weekends.
- **Citizens Square parking lot:** directly across the street, free during the same hours as the street meters (before 8:00 AM, after 5:00 PM, and weekends). Outside those hours it's reserved for Citizens Square visitors — park there at your own risk, and expect a 2-hour limit.
- **Parking garage:** southwest of the building, across the street.
- **Parking lot:** on the north side of Freimann Square.
- **Additional nearby spots** are available around downtown — ask our staff during staffed hours (2–7 PM, M–F) if you'd like more specific recommendations.

Driving electric? ChargePoint EV charging stations are right along Berry Street, steps from the building.
