 - They must be fever free, have had no diarrhea, and have had no yellow mucus for 48 hours prior to their visit.
- For health and sanitation, staff will not change dirty diapers. You will be notified of soiled diapers and requested to change them as soon as possible.
 - You must bring your own diaper changing supplies.

- To be fair to other children, to avoid allergy mishaps, and for sanitation purpose, food is not permitted in child watch unless it is clearly labeled with your child's name.
 - We do not provide food.
 - No products containing nuts will be allowed.
- Child watch is limited to 10 children maximum at one time. You may have to wait for additional staff or until other children leave.
 - We also will only allow a maximum of 5 children under 2 years of age at one time.
- All lost and found items will be kept for a maximum of two (2) weeks and then donated to charity or discarded. Please mark your child's belongings to assist the staff in returning them to their rightful owner.
- If a child is unhappy or having a difficult time being separated from the parent, the staff will make every attempt to make the child feel welcome and happy. If all efforts fail, the staff will notify the parent to come and assist in calming the child.
- Each child is special to us, please let us know of any health concerns.
- Usage and privileges may be revoked if reoccurring inappropriate behavior is not corrected.
- We reserve the right to revoke anyone's child watch privileges if they are not following our rules.
- For the health and safety of everyone involved and especially your children, our staff have the right to make a judgement call in regards unforeseen circumstances that may or may not be stated in these rules.
