

Endorsement of Paul Gaarenstroom

I have had the distinct pleasure of working with Board Director Paul Gaarenstroom over the past year, and I can say without hesitation that he has proven himself to be exceptionally bright, thoughtful, well-spoken, and knowledgeable on the issues facing the La Cresta Property Owners Association.

Paul has willingly taken on significant responsibilities, serving as both Treasurer and Secretary, while also serving as the Board liaison to the Trails Committee. He has consistently stepped up where needed and demonstrated an impressive ability to understand complex issues and follow them through to completion.

His work on financial reporting, the operating budget, and the Association's reserves and Reserve Study has been particularly valuable. His willingness to take on these responsibilities, along with his attention to detail and understanding of the Association's financial position, have made him a key contributor to the effective management of LCPOA.

Paul brings something very important to the Board: knowledge, sound judgment, a strong work ethic, and genuine leadership. Having worked alongside him, I have seen firsthand the time and effort he puts into serving this community.

I can think of no better candidate who exemplifies the talent, understanding, commitment, and leadership that Paul brings to the LCPOA Board. I am proud to endorse Paul Gaarenstroom and strongly encourage our members to support his continued service to La Cresta.

David Boyd

Vice President, LCPOA
