

Increase Brand Awareness and Boost Sales

Front Gate's (FGT) partnership with Rush49 gives promoters the ability grow brand awareness and sell more tickets to their event. Through the integration, FGT clients can push inventory directly to the Rush49 platform to offer their customers verified offers and discounts. Rush49's online marketplace connects people to amazing experiences and can help you boost your sales, collect more data, and get more concert-goers to your event. Find out more below!
