

Forget what you know about music festivals, we've shifted the paradigm and have built something new. KAABOO is the perfect weekend escape, described in a word that comes from whatever we feel like yelling when we're high on life and having fun. KAABOO is an elevated live entertainment lifestyle brand that engages all five senses: Music, Comedy, Contemporary Art, Craft Culinary, and Personal Indulgences. At KAABOO, every detail is designed for your enjoyment and clean, comfortable amenities inspire you to break from your busy life, let loose and enjoy the experience.

We are currently seeking a Graphic Designer, based in our Greenwood Village, CO office. In this highly creative position, you will be involved in print, digital, social media marketing, video creation and much more! As with anyone with your skills, you are expected to have strong computer skills with extensive graphic design proficiency (Adobe Creative Suite) and marketing expertise to analyze the promotional needs in a creative manner. Video editing and HTML 5 ad creation is preferred. The Graphic Designer is an integral part of the marketing team responsible for the conceptualization and implementation of designs that achieve marketing strategy objectives from concept to completion. You are a creative force behind the new design concepts, while maintaining the basic brand guidelines.

This position reports to the Creative Director.

Qualifications:

- 3-5 years of graphic design experience, preferably in a related industry
- Strong working knowledge of Adobe Creative Suite
- Understanding of digital specs vs. print (RGB vs CMYK / 72 dpi vs 300 dpi), and strong pre-press skills (bleeds, live areas, layers, etc)
- Extreme attention to detail
- Agency background preferred
- Advanced knowledge in Creative Suite (InDesign, Photoshop, Illustrator)
- Ability to edit video and create HTML 5 banner ads strongly preferred
- Ability to thrive in a collaborative environment and can take creative direction and feedback
- Ability to manage multiple projects, meet deadlines, along with excellent prioritization skills work creatively and efficiently while working under tight deadlines (be ready to juggle!)
- Thrive in an environment of ever-evolving workflow and responsibilities.
