

## COMPASSIONATE CARE PROGRAM

PATIENTS CAN SAVE UP TO 75% OFF THE SELF-PAY PRICE OF FERTILITY MEDICATIONS AT A PARTICIPATING PHARMACY.

The Compassionate Care Program may provide significant savings on EMD Serono medications for uninsured, income-eligible patients. The Compassionate Care is available to eligible patients who may not otherwise be able to afford fertility treatment. Eligibility requirements include the following:

- No insurance coverage for fertility medication
- Currently undergoing fertility treatment with a physician
- US citizen or permanent resident
- Qualifying annual household gross income
- A compassionate care program is available for multiple cycles within each year.
- Call Fertility LifeLines toll free at 1-(855)-541-5926). Uninsured patients can apply for Compassionate Care benefits by visiting <http://www.fertilitylifelines.com/hcp/fertility-resources> , then click on the link to Compassionate Care Application.

## CO-PAY SAVINGS PROGRAM

The Gonal-f Co-Pay Savings Program can save patients out-of-pocket/co-pay money who have insurance coverage. Patients can save up to \$200 per prescription every 21 days for Gonal-f medications. For more information about this program, or to obtain your Co-Pay Savings Card, please visit <http://www.gonal-fcares.com/financialAssistance/copayCard.jsp>

## GO-DIRECT TO SAVINGS PROGRAM

DIRECT TO SAVINGS The GO-Direct To Savings Program can save approximately 14% on Gonal-f medication on every cycle. The more medication needed throughout a patient's treatment, the more they will save. For more information about this program, or to get your Go-Direct To Savings Discount Card, contact
