Average Pricing for Custom Boulders

We understand that some customers want to *know the price* before starting their design. Pricing is based on the size of the boulder, the amount of text and the complexity of the graphics. Since every boulder project that Boulder Designs by JTM Solutions produces is a one-of-a-kind custom piece, it is very difficult to give a specific price without knowing exactly what you desire on your masterpiece (size, shape, text, logo, graphics, colors, etc.) However, we understand having a “ballpark” helps. The following are some average prices for different size boulders.

- 18” wide x 16” tall x 4” thick \$195
- 24” wide x 18” tall x 5” thick \$265
- 30” wide x 20” tall x 6” thick \$430
- 30” wide x 24” tall x 6” thick \$530
- 32” wide x 28” tall x 6” thick \$660
- 36” wide x 24” tall x 6” thick \$640
- 40” wide x 30” tall x 6” thick \$885
- 48” wide x 36” tall x 8” thick \$1,700
- 48” wide x 36” tall x 10” thick \$2,125
- 60” wide x 48” tall x 10” thick \$3,540
- 72” wide x 48” tall x 10” thick \$4,250
- 96” wide x 60” tall x 12” thick \$8,500

Please keep in mind that these are average prices and do not include tax or a delivery/installation fee. Your pricing could be more or less than the average depending on complexity of design, etc. Please email jtm@boulderdesigns.net to convey to us what you would like or give us a call at 402-681-2030. We are happy to email back a complimentary (full-color) custom design and an exact price quote.

We look forward to help you bring to life your very own boulder masterpiece!
